

The Embassy of Denmark in Italy is looking for a Health Sector Advisor to join our department for Economic Diplomacy with experience within the healthcare sector.

Position:

We are looking for a new team member to join our healthcare team, in the department of Economic Diplomacy at the Danish Embassy in Rome. A healthcare expert with international experience and interest in further developing relations within the healthcare sector between Italy and Denmark. You will be responsible for assisting and supporting Danish Healthcare companies in Italy.

About the job

As an Advisor, you are expected to proactively reach out to Danish companies, both in Denmark and in Italy. You will engage with authorities, policy makers, and help companies grow, create valuable partnerships, and assist them in reaching their objectives. You will be measured by the success of your clients, and their accomplishment as well as several regional based KPIs set by headquarters in Copenhagen.

Qualifications

- A relevant academic education, e.g. in international studies, economics or political science.
- You have a minimum of 5-10 years of relevant work experience from the healthcare sector within consulting, business development or similar functions, coming from an international environment.
- Industry knowledge and an in-depth knowledge of the political landscape and health challenges.
- Ability to create close relationships with companies and authorities, and actively use your network in promoting Danish strongholds to key stakeholders.
- A business mind-set and a high degree of professionalism and trustworthiness.
- You work efficiently on your own but also within a team.
- You are result oriented.
- Excellent written and oral communication skills in English and Italian.
- Committed, outgoing and results-oriented.
- Ability to handle many relationships and projects at the same time - and is good at seeing opportunities and act accordingly.

Terms of employment

We are looking for a colleague to start September 2024 or earlier, if possible. The position has an initial trial period of 6 months. All employment with the Danish Foreign Service also requires security clearance by the Danish Security and Intelligence Service.

You will be employed as a local employee at the embassy. Salary is according to qualifications within a public organization. 5 weeks of paid annual leave and a flexible Danish working scheme.

Deadline for application is Tuesday, 11 June 2024.

Place of work

You will be hired at The Embassy of Denmark in Italy and be part of the embassy staff and report directly to the Head of the Department of Economic Diplomacy at the Danish Embassy in Italy.

Expected start date

Monday, 2 September 2024 or as soon as possible after.

Application

We need a motivated application that should also include information on education, previous work, qualifications, language skills, references, etc. Attaching a resume alone is not considered an application. The interviews will take place at continuously.

The Ministry of Foreign Affairs wants to promote equality and diversity. Therefore, everyone interested is encouraged to apply for the position regardless of age, gender, religion and ethnicity.
